

This information sheet contains a list of the current Assessment Levels for all passports and education sectors in Australia's Student Visa Program (SVP). These Assessment Levels came into effect on 24 March 2012 and apply to student visa applications made on or after this date.

## Applying for a Student visa

Use the Student (Temporary) (Class TU) visa form if you intend to apply for a Student visa in Australia. You must identify your **highest Assessment Level** before you can proceed with your student visa application.

Refer to information sheet *Applying for a student visa*, or the Department of Immigration and Citizenship website [www.immi.gov.au/students](http://www.immi.gov.au/students) for more information about applying for a student visa.

## Course packaging

If you intend on packaging courses, you will be assessed under the visa subclass applicable to your **main** course of study (the principal course) indicated on the application, and at the **highest Assessment Level** of the courses in your nominated package (with the exception of any ELICOS course within the package). You may also be eligible for streamlined visa processing.

For more information on course packaging, refer to information sheet *Applying for a student visa*.

See: <http://www.immi.gov.au/allforms/>

## Using this information sheet

Your Student visa application will be assessed against one of the following:

- your **highest Assessment Level**. The lowest Assessment Level being Assessment Level 1 and the highest Assessment Level 5
- The streamlined visa processing requirements if you are an eligible student.

The passport you hold and the education sector of your course will determine the appropriate Assessment Level for your visa application.

To identify the Assessment Level for your visa application, match the nationality of the passport you hold with the visa subclass for the education sector/s of your course/s. The table on the next page lists passport countries in alphabetical order, and the visa subclasses/education sectors.

To be eligible for streamlined visa processing, you must provide evidence of your confirmation of enrolment for an eligible course from a participating university at the time that you lodge your application. Eligible courses include Bachelor, Masters and Doctoral degrees. These applicants are assessed as though they are lower migration risk (similar to the current Assessment Level 1).

See: <http://www.immi.gov.au/students/>

## Visa subclass/education sector

There are a number of different types of student visas. The following subclasses are based on the education sector of your **main** course of study:

- 574 – Postgraduate Research
- 575 – Non-Award
- 576 – AusAID or Defence

## Passports NOT listed in the table
